

## Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tiresome it would really be to clean up your own house after throwing a big party, without aid from cleaning machines. Before, the time carpets and upholstery had the dirt beat out of them by hand; cleaning cloths, brushes and brooms were the state-of-the-art cleaning supplies of that time.

The man who founded Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who really liked to work on electrical motors. After establishing his company in 1906, he started to make motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the beginning was to own a worldwide company advertising goods worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This invention came in a time where other cleaning equipment were massive and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the way we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an existing crisis; stuff get dirty and must be cleaned regularly, without too much effort.

Slowly but progressively, Nilfisk-Advance expanded throughout the years. In the 1980s, this growth really happened the time the business became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aiming to be among the biggest universal players in the market of professional cleaning machines. Nilfisk-Advance is now located in every part of the world by gradually obtaining a lot of smaller businesses in order to develop their product selection and presence in new markets. They are proud to provide a variety of cleaning solutions to fit each and every requirement.
