

American Lincoln Part

American Lincoln Parts - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are recognized in the business as providing strong and durable equipment which satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company which is currently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide machines, components and warranty service for these kinds of scrubbers that have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where results and efficiency count. Recently, this floor scrubber model has been requested by the architects in new construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site because of the model's utmost performance level and high standard of quality for polishing concrete.
